

ASSOCIATION FLAINOISE

MEMBERSHIP 2021-2022

Your membership of the Association Flainoise will strengthen the representative credibility of the Association with the various actors in the Flaine Resort.

Membership allows you to vote at General Meetings, and to have access to the Member's Pages of the WebSite. The subscription income maintains the Association and also allows us to support sporting and cultural activities in Flaine as well as to defend the interest of the resort.

We hope that you will join the Association, and would ask you to consider adding a donation to your subscription further to support our activities.

Your email address will allow acknowledgement of your subscription, give you access to mailings, and allow us to send you a UserName and Password giving access to the restricted area of the web site.
